LaVilla Johnson Brothers:

- Ylva confirms this project will be located in front of the Ritz Theatre and Museum.

Bank of America:

- Cory Driscoll notes that the opportunities for local artists did not exist just a few years ago and the private projects that the APP Dept. are managing has closed that gap.

Kimberly Kim has a general thank you to the committee and the staff for your hard work and making these opportunities. APP Staff will share CTA's to APPC so they can read it and share it with their own groups.

Gigi Ackerman noted that she is involved with the MaliVai Washington Youth Foundation and they are interested in working with us on a public art project. Jen will reach out to discuss.
